The sims gamecube cheat gnome

Strategy Guide Cheat gnome Pause the game and quickly press down, L, Z, R, left, X. If you entered the code correctly, a Sim sound says something. The blue gnome must appear near the house that the Sim has. The sim receives a phone call every day to receive Simoleons. That's going to happen even if they visit another house, except mom. In order to get the Simoleons there, force the Sim to host you as a visitor to respond to your phone by walking near you. All objects allow cheat gnome code. Pause the game and quickly press Z, Up(2), R to unlock all objects. If you entered the code correctly, a Sim voice says something. To disable the code, stop the game and quickly press R, Up(2), Z, Down. All visiting places Allow cheat gnome code. Pause away from the game and quickly press left, z, r, l, z to unlock all visiting places. If you entered the code correctly, a Sim voice says something. Note: This code can be entered at any time after the Sim wakes up at mom's house after the initial Dream Sequence. To disable the code, stop the game and quickly press Z, L, R, Z, Left. All socials Enable the Cheat gnome code. Pause to hang the game and quickly press L, R, Down(2), Y to unlock all socials. If you entered the code correctly, a Sim voice says something. To disable the code, suspend the game and quickly press Y, Down(2), R, L. Team image To enable cheat gnome code. Pause away from the game and quickly press R, Z, Down. If you entered the code correctly, a Sim voice says something. Disable this code, pause the game and quickly press Le, Z, R. Unlock social options to unlock most social options, make friends with your Sims. For example, if you are friends with Randy you can unlock French Kiss, and Paisly you can unlock Spank Booty. Each Sim has its own social option to unlock when you become a family friend. Easy money If you go to a house and do not have much money, trade all wallpapers and buy the cheap version. You can get a lot of money. You can do the same with the tile. When you move into a house, sell the wallpaper and tiles. Then change the tiles of grass and wallpaper to nothing. When you get the Tesla Coil, go for it and wait for it to give you an electric screw. Then go to the Build/Buy menu. Select and sell the electric screw for 50 Simoleons. When you move out of a house (such as Dudley's Trailer) sell all your stuff except the toilet, shower, bed, and refrigerator. The sim survives and you can make a lot of money. When Mom's House, Mimi's Place, or Dudley's Trailer, buy things until the profits go below 100 Simoleons. Wait an hour. You get a phone call and you get free money. If necessary, repeat this. Then, before you move, sell everything you bought. You'll end up making more money than you started. Instead of working, you can get a workspace in the Skills Section 2 in purchase mode. When the Skill the best, you can get 100 Simoleons for every gnome you make. It takes only five seconds to make each gnome, and you can make about thirteen gnomes at once. Note: A sim can only make gnomes when in good mood. To make lots of money, enter buy mode and sell your paintings. Some are worth a few thousand Simoleons. Boosting low budgets at Mom's house, Mimi's apartment, or Dudley trailer, buy things until the budget drops below \$100. Wait an hour. When the phone rings, pick it up. I'll give you free money. If necessary, repeat this. Raise the motives to help increase the motives at later levels, go back to mom's house. Artificial love makes it easier to arouse motives. Increase skills While living with mom, don't run out and get a job after you finish the first few goals. Instead, stay a while and use that time to build skills. Mom's bugging you, but just pick Okay and keep doing the rest. Be sure to keep yourself happy and fun/talk/joke mom to keep your relationship up to par. If you have your powers where you want them, move out. That makes things a lot easier. You'll then be able to focus on work and relationships rather than building skills. Also, notice that if your mother's house is at the beginning, the Sim energy and social won't go down and continue to the halfway point. This will help you increase your skills faster. First, breakfast, lunch, or dinner. Then, use the toilet, bathe, watch TV for fun and comfort, and then eventually work on whatever skill you want. After repeating this routine before breakfast, lunch or dinner, clean the plates. Don't call a maid or anything else, because it's a waste of money. For extra money, do creative skills to paint it and sell your paintings when you're done. It gives you a lot of money when you're done with your skills. Don't have any goals except work. Don't sleep or talk to your mother while you're doing this. When done cooking, mechanical, creative, and charisma, buy a chess table logic. When you're done with these skills, sell the chess set (full refund). Then buy the weightlifting machine for the body. Once you have done all your skills, get a job and move out. Also, while waiting for the baby to become a child, you can not leave the house. This is a great time for building your skills up, improving your relationships with your career and doing what needs to be done around the house. Fun reviews To always have a good Fun rating, buy the Aromaster and place it in the Sims bedroom. Every time the Sim lies down, turn onto the second choice, Lavendar & Marjoram. This increases the Fun meter while the Sim sleeps. It takes at least 150 Simoleons to control the Aromaster. Furthermore, if you get mugged, aromaster will be one of the first things stolen; There's an alarm in place. Keep friends, if possible, then instead of Your friends will need to make a promotion for sim, get your friends the sim you are married to. The relationship that the Sim you are married to is with other Sims never diminished. You can make friends, and you don't have to worry about keeping them. Skipping work in Bustin' Out mode, you can skip the job if you move back into mom's house. As long as you live with mom, the bus won't arrive, and you won't have to work. This is useful when things are not going so well and you need some time to restore your Sim. In Bustin' Out mode, you can skip work by changing jobs before the bus arrives. You can switch back to your old job later. That's useful if you're going to get fired. Note: You will only be fired if you miss work two or three times in a row. Never work in Bustin' Out mode, people who get up (who can control it) won't get fired. If you want them to stay home, let them. This can be very useful if you need them to clean up or need them to do some other things. Simple promotions: Enable cheat gnome and raise motives codes. Depending on where you live, make family friends who get up and have many visitors. Then go to work, and if others are there to stay home. They can't get fired. Jock career Successfully finish his Jock career, you need to get all body points, 4 cooking points, and 5 Charisma points. You're going to need six friends. A quick way to do this is to complete going to mom's house and buy something to work on your body (for example, on a treadmill, pool, etc.); a bookshelf or something like the gourmet stove; and something about your charisma (such as a microphone or a mirror). To do this, then build your skills and move to different houses, so you can complete your goal and unlock something. Eventually, you'll get to Malcolm's house. I get a bigger room when dudley's trailer, go to the bedroom. Then sell the door that leads to the smaller room to just a wall. Then, to make a door in the upper right corner, to have a place, you can walk to the smaller room. Then decorate both rooms with wallpaper and carpet that are the same, and you can use a larger room. Get married to a meal and then call your potential mate over. Sit down and eat with them. When you're done, let him use the bathroom. While they're doing that, watching TV, then him or her joining you. When they get up, ask her to marry you. Raising a baby If there's a baby, don't ever play with it because it doesn't do anything. If you feed him, you'll sing, he'll stop crying for a few hours. Fishin' For Profit book enough to make the Fishin' For Profit book go to Nikki Nack's store (open 9 a.m. at 5 p.m.). After you buy it, find O'Phil Mclean. Give it to him, and he'll give you a job. Note: You have to score goals from him first. Talk to Salty about that. Later in the game, they offered Nikki Nack to buy the Waterfront Villa 3000 Simoleons. Find a neighbor kandelabras to find the all social opportunities. Don't romantically kiss the Mortimer if you are a sim woman or your wife if you are a sim man. To find and shut down hackers at The Octagon, visit the Shiny Things Lab and select your first computer at the beginning of the lab. Select Steal Computer and this confirms that the mission is complete. Finding the goth fern The Goth fern is located behind Dudley's Trailer next to the broken car. Choose and say steel. Find the Sci-Fi script Go to the Shiny Things lab and talk your brain into the jar. Go through Dudley's party when you stay at the gym, your roommates will want you to go over to Dudley's trailer and party. Get out of the gym and move in with Dudley. While you're there, serve breakfast/lunch/dinner, and Dudley order pizza. Then get out of his house and get back to the gym. When you visit Dudley's Trailer, food has been laid out on the table. Before moving out of Dudley's Trailer, buy a larger table and plenty of chair space for guests. Then, if you visit Dudley's Trailer for the party, eat and talk to at least five party guests to get in contact with them by more than five points. If that doesn't work, talk to more guests or see if the connection went down a few points. To make sure Mimi's okay, go to Mimi's house. He will tell you that he has made a mess around the house and for you to clean up. Then you'll tell me a secret. After picking up all the mess you should be rewarded with a car. Throw an art opener When you move to Studio 8, one goal is to throw the art opener. For the art opening to be successful, you need to buy a sculptural block and carve it first. You can make the party and it will be successful. However, before you can buy the sculptural block, you need to meet the goal that gives you access to it. Also make all the art and sculptures out back to the studio. Arrange them as needed, then buy in a cooler reception mode (other). Go up there and make a phone call and throw a party. Avoiding death when in free game mode, study cooking before you try to cook. Dead plants If a plant is dead, don't throw it away. You can sell the dead plant as the cost of a new plant. Kinetic Gnome and Flamingo limit When creativity has reached its peak, use the workbench with the tank to build kinetic gnome and flamingos. However, once you have built a certain amount, you will not be able to choose again. Either sell them or start them to build more. More.
